To whom it may concern,

Western Scaffold PTY LTD has been employed with Porter Davis Homes for approximately 4 years.

Their quality of work and communication is second to none and for this reason Porter Davis Homes have continually used their services.

They now provide quality service to 17 supervisors throughout the Western regions.

We believe we have a great partnership with them and under the current working circumstances we will continue to use their services in the future.

Yours Sincerely,

**Bernie Wiesebrock**
